MORE ON PTS HANDLING

PTS is a connection to an SP. That is true. But what may be overlooked is that persons of the middle class (which is a culture, not an income bracket, to which belong all the puritan hypocritical mores of the cop and the get-a-job-be-a-moderate-plugging-success) frown very terribly on anything that the least bit tries to make a better world. The middle class wants the world of a job and order and even hypocrisy and cops because they are AFRAID. They hold their narrow views because any other views may disturb their twenty-year house mortgage, the store, the job. So when someone decides to make a better world, they look on him as a direct menace even though the dull middle-class world is a sort of slavery and suicide. It is the middle class that tries the hardest to keep the down-and-outer out and down, who go along with a cop America and hate support of anything not their class. And nearly every PTS you have will be found one way or another to be PTS to the middle class. As a group, not as individuals, the middle-class-parent world suppresses anything different. So you have PTSes.

The bulk of your PTSes may very well be PTS to a class, the middle class of which their particular SP is simply a member. Few of them realize this or even that the middle class (bourgeoisie) ARE very suppressive to anyone who tries to do something in the world besides support the system. My attitude in this is that both the capitalist and communist are alike old hat and a bore, that they've made a ruddy mess of things, exhausted the planet and, with their senseless wars, smashed up mankind.

Many of them are caught up in the mystery of why they are snarled at and have no conception of the middle class as a formidable and jealous force that goes psychotic when it feels anyone may get away from the treadmill and threaten their uneasy and doomed lives.

One tries to find what it is and then persuades them into handling. That's the tech.

EVERY ONE OF THOSE PEOPLE CAN BE STRAIGHTENED OUT. EVERY ONE OF THEM SHOULD BE.

Every one who reads on "problems in your environment" is to some degree PTS. Most of them don't even know what the letters PTS stand for. So there is an educational step, the PTS/SP checksheet. It does not mean they have been connected to ogres. It means they are suppressed by someone or something, **OFTEN FAR EXTERIOR TO THEIR PRESENT POSITION OR AREA.** So there is an educational step. The tech is in HCO PLs and HCOBs. It is perhaps given more directly herein, as it applies to that exact scene.

So go to it. Really get a grip on it. And handle the hell out of them yourselves.
