ATTACKS ON SCIENTOLOGY  
(Additional Pol Lit)

Anyone proposing an investigation of or an "Enquiry" into Scientology must receive this reply and no other proposal:

"We welcome an investigation into (Mental Healing or whoever is attacking us) as we have begun one ourselves and find shocking evidence."

You can elaborate on the evidence we have found and lay it on thick attacking the attackers only.

NEVER agree to an investigation of Scientology. ONLY agree to an investigation of the attackers.

This is correct procedure:

- (1) Spot who is attacking us.
- (2) Start Investigating them promptly for FELONIES or worse using our own professionals, not outside agencies.
- (3) Double curve our reply by saying we welcome an investigation of them.
- (4) Start feeding lurid, blood,sex,crime actual evidence on the attackers to the press.

Don't ever tamely submit to an investigation of us. Make it rough, rough on attackers all the way.

You can get "reasonable about it" and lose. Sure we break no laws. Sure we have nothing to hide. BUT attackers are simply an anti-Scientology propaganda agency so far as we are concerned. They have proven they want no facts and will only lie no matter what they discover. So BANISH all ideas that any fair hearing is intended and start our attack with their first breath. Never wait. Never talk about us - only them. Use their blood, sex, crime to get headlines. Don't use us.

I speak from 15 years of experience in this. There has never yet been an attacker who was not recking with crime. All we had to do was look for it and murder would come out.

## HOW TO STOP ATTACKS

The way we will eventually stop all attacks from there on out is by processing the society as follows:

- (1) Locate a source of attack on us.
- (2) Investigate it.
- (3) Expose it with wide lurid publicity.

You see the same thing in a preclear. He has a rotten spot in his behaviour. He attacks the practitioner. The spot is located on a meter. It blows and the preclear relaxes.

Well this is just what is happening in the society. We are a practitioner to the society. It has rotten spots in it. Those show up in attacks on us. We investigate and expose - the attack ceases.

We use investigators instead of E-Meters. We use newspapers instead of auditor reports. But it's the same problem exactly.

So long as we neglect our role as auditor-to-the-society we will be attacked.

Society is pretty crazy. It's a raw jungle. So it will take a lot of work. We must be willing to put in that work as a group or we'll be knocked about.

Remember, CHURCHES ARE LOOKED UPON AS REFORM GROUPS.

Therefore we must act like a reform group.

Don't worry about libel if our facts indicate rottenness. The last thing that target will do is sue us then we would have a chance to prove it in court, which they are terrified of our doing.

Remember - the only reason we are in trouble with the press or governments is that we are not searching out and exposing rotten spots in the society. We must practice on the whole group called society. If we do not it will attack us just as a preclear will attack a Scientologist that won't audit him.

To get wholly over to cause we must select targets, investigate and expose before they attack us.
