THE WAR

You may not realize it staff member but there is only one small group that has hammered Dianetics and Scientology for eighteen years.

The press attacks, the public upsets you receive and all those you have received for all your time in Scientology were generated by this one group.

For eighteen years it has poured lies and slander into the press and government agencies.

Last year we isolated a dozen men at the top. This year we found the organization these used and all its connections over the world.

They are as red as paint. Their former president was a card-carrying Communist and they have four on their board of directors, yet they reach into international finance, health ministries, schools, the press. They even control immigration in many lands.

Psychiatry and "mental health" was chosen as a vehicle to undermine and destroy the West! And we stood in their way.

They knew we had the answers. We were over \$2,000,000 dangerous to them. That's about what they've spent to try to get rid of us.

Well, today, the World Federation of Mental Health (which pretends to be part of the United Nations and isn't) and their "national" mental health organizations (which pretend to be part of each national government and aren't) in every Western nation have been spotted by us and proven to be the ones responsible.

If a platoon of Russian soldiers landed in your country and started shooting down people, the military or the citizens would wipe them out.

But if several regiments landed in small groups, with phony passports, dressed in dark business suits, each one vouched for as a professional doctor by the "best people," they could (and do) select out anyone they wish to kill, get him behind closed doors in an institution and depersonalize or kill him.

They have infiltrated boards of education, the armed services, even the churches.

They hold the wives or daughters of a great many politicians and keep them "under treatment."

They appoint ministers of health by pretending they are already part of the government.

They collect millions.

Their “technology” is the same as that used by intelligence services. Electric shock. Brain operations. These were used in Lubenka prison in Russia but are not allowed on Russians!

Anyway, this was the live wire we got across by being *able to undo their effect on the West*.

None of this is fiction. There are too many dead men around for that.

We have the goods on them and right this minute more artillery is being rolled up by us from more quarters than they could ever predict.

We’ve made a beachhead. We are slamming in closer.

You aren’t standing alone. There is more ammunition being flung at them right this minute than they could ever duck.

They made a few gains. They could even make one or two more.

But they made a bad mistake. They attacked us. And we weren’t even in the same line of country.

For eighteen years we have had constant sniping at us over the world. They did it.

We’ve got to fight this one on through and we will.

Think of what it would be like to have no such opposition!!!! My, how we would expand. And will.

You just carry on your job well, do it very well. Keep the show on the road. Get the stats up.

A lot of good guys amongst us are taking care of *them*. We are using only legal means over the world. *We* don’t stoop to murder and roughhouse. But man, the effectiveness of our means will become history.

It is a tough war. All wars are tough. It isn’t over.

But if the enemy knew all that was heading in his direction this minute from how many quarters he’d faint.

Let him lah-de-dah with the socialites and “best people” a little longer. Let him pose as part of the government yet a little while. And then he’s had it.

Our error was in failing to take over total control of all mental healing in the West. Well, we’ll do that too.

You never did understand his treatments? Well so the psychiatrist acts like a Russian storm trooper after all.
