Press Stories

Dear Staffs:

Don't feel too bad about any press or publicity or "bad news".

As a tip off, we have not only located the enemy exactly but find him guilty of so many crimes that the end for this opposition is in plain view.

We are rolling up the heavy guns quietly and getting things exactly timed.

With our Class VIII results, with our organizational structure over the world of which you are a part, the achievement of our goals is inevitable.

The going is sometimes rougher than other times.

The thing to do is survive during the rougher parts. And we're doing that very well.

I have just had this cheering news that we now are closing in on the basic of aberration on the 4th Dynamic on this planet. So I thought I'd let you in on the good news.

LOVE

Ron
