YOUR WEEKLY REPORTS

The Purpose of the Weekly Reports that you are required to write is as follows:

TO KEEP CS-G AND THE FOUNDER WELL INFORMED OF ALL GUARDIAN OFFICE ACTIVITIES THROUGHOUT THE WORLD SO THAT THEY MAY BETTER PLAN AND CO-ORDINATE FUTURE ACTIVITIES OF THE GUARDIAN OFFICE NETWORK TO OBTAIN OUR VALUABLE FINAL PRODUCT: ACCEPTANCES OF SCIENTOLOGY.

To accomplish the above purpose, your reports must be concise, factual, and sent on time each week. If they are stale-dated and received late, they are of less value to CS-G and could even act as Dev-T if absent when an over-all evaluation is being done by the fact of omitted data.

We depend upon each of you to get your Weekly Reports done and forwarded ON TIME each week.

If you are having a rough time doing so, it is probably simply a matter of out admin and can be corrected. If you feel it is really bugged, let me know and I'll give you a hand - for a small fee, of course.
