CONFIDENTIAL

Policy is that we assign any case or upset in Sciencel to past damage and interference with the person by medicine or y They were sent to us after medicine or psychiatry had already de them. We cannot be blamed for psychiatric or medical failures.

By continually repeating this, make the AMA, Nats, et vary of using our name on these psychiatric and medical failure subjects are guilty and the statement is demonstrably true. Us Make it known to the enemy that this is our policy as a restraint their fetid imaginations: "Every time you attack us we will di more records of your failures".
