SUBJECT: SUPPRESSIVE PERSON

- I. J. F. "Jack" Horner is hereby declared a Suppressive Person for reasons herewith given:
  - (a) Using and giving altered "Standard Scientology Technology" aimed at "doing someone in". The public is warned not to accept any processing and/or training from Horner or anyone, I repeat, anyone connected with him. What he is using is not, I repeat, not Scientology Technology.
  - (b) For his association with J. Edgar Watson, a known thief (fired from Saint Hill for this reason) and a sex pervert recently declared a Suppressive Person by L. Ron Hubbard.
  - (c) For his association with the "Amprinistics Society" recently declared a Suppressive Group by Ethics Toronto.
  - (d) For sending entheta material world-wide containing defamatory material of Scientology and Scientologists over the signature of J. Edgar Watson.
- II. Not to be trained or processed.
- III. Not to be communicated with.
- IV. Declared FAIR GAME.
- V. Anyone associating with Horner or with the Amprinistics Society will not be handled in the normal fashion of declared PTS but will automatically be declared Suppressive.

NOTE: This order is a warning to all that we do not support any person whose primary purpose in life is to "Do Someone In".

Scientology is an exact science and only a Suppressive will alter it.
