"PLANTS" IN ACADEMIES - INTRODUCTION OF 'FORM' 5B.

In times of expansion it is to be expected that occasionally a government "plant" or active comrade will endeavour to gain access into the Org. The Academy is the easiest point of entry for a stay of a little time for such undesirables. For example, a wave of suppositional reports of this occurred after the recent FUA attack in Washington DC. If they were true then it was an affront to Scientology, quite apart from anything else.

However, such an attempt can be regarded, comparatively, as a rarity. Nevertheless, Directors of Training should have some easy foolproof method to pick off such and satisfy themselves that no students are in their Academies for anything other than what the students stated they were there for, i.e. to receive training and graduate.

The D/T normally interviews all new students before they enter on course in his Academy, and this stage would be a convenient point in which to have a fast check.

Accordingly, during the brief duration of this interview, the D/T should place the student on the E-meter which is set at high sensitivity, and ask with ARC this question: "Are you here for any other purpose than what you say/state?" This question may need clearing with student but it should take only a very brief time to clear and clean.. Variations of this question may be used, but this type question designed as a fast check question on new students will be referred to henceforth as a Form 5B.

The D/T is merely to be satisfied that the new student being interviewed by him is not a "plant". Then, having cleared the question, and the D/T is satisfied the student is bona fide, the D/T can then brief the student crisply for starting course, etc., and bring the interview quickly to a close.

Remember, the question is designed to pick up "plants" and such an attempt will be very rare but nevertheless may occur from time to time. In the event of the D/T having some doubt on the person being interviewed by him, he should refer the person to the Technical Director immediately for a further check.

The totality of the duration of the D/T interview need not be more than 10 minutes in its entirety. Judgement is required by the D/T in administering this "filter point", in that it is not intended to act as a complete embargo on all and every student whether bona fide or otherwise. The chances of the latter being attempted are slim but this Form 5B should now handle such an attempt smoothly.
