**US APPOINTMENT
AND ORGANIZATIONAL TREND**

A longtime, able officer of FCDC, has been appointed HCO Executive Secretary Americas.

She has been Government Relations Director. She retains that post as part of her HCO duties.

The trend is to consolidate Government Relations and Special Zone with HCO as it seems feasible.

I have finally sorted out front-line promotion into broad public testing and the new basic course, "The Anatomy of the Human Mind." Data on these will be with you soon.

No other Government Relations or Special Zone shifts are being made at this time. Special Zone, however, will gradually shift into broad public and business testing clinics; and Government Relations, having cleaned up the most of the loose ends, will shift to HCO or into broad publishing and government activities.

Government Relations and Special Zone are not abolished.
