

STANDARD ANSWERS WITH STANDARD TECH

"With this course the Tone Scale has now become a living, breathing, vital part of me. I am now able to stand fast in my beingness and never worry that I might fall victim to an SP because I know how to totally control where I land on the Tone Scale. I am much more aware and I am confident I can help others shatter suppression in their lives as well. I don't know how anyone survives without this data." – J.S.
